Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

Library Of The World’s Best Mystery And Detective Stories, Vol. 5

In the six volumes of the Library of the World’s Best Mystery and Detective Stories, Julian Hawthorne presents us thrilling and mysterious short stories from all corners of the world. Some of the stories appeared in this collection for the first time translated into English, and many of them come from unexpected sources, such as the letters of Pliny the Younger, or a Tibetan manuscript. In the fifth volume, we find stories written by German, Russian and Scandinavian authors. (Summary by Leni)
